Welcome New Diver!

The entire staff of Blue Water Divers welcomes you to the PADI Open Water Diver course! Please take a few minutes to read through this sheet. Our staff will be happy to help you with any questions you might have. Get ready to experience the adventure of your lifetime!

For the first classroom session, you will need:

- Please read Module 1 and 2 of the PADI Open Water Diver Book*
- Completed Knowledge Reviews for Module 1 and 2*
- Completed student folder (Tan)—under 18, parental signatures, please!
- You should have watched Module 1 and 2 of the Open Water Videos*
- 2 passport photos (available at Blue Water Divers)
- Notebook and pen
- Log book and binder
- Final payment for class tuition

**Executive Open Water students must complete all 5 Modules and view entire video prior to Class*

For the first pool session, you will need:

- Mask (defogged with toothpaste)
- Snorkel (attached to the left side of your mask)
- Fins (please remove plastic inserts from foot pockets)
- Booties
- Weight belt assembled with 5 percent of your body weight
- Swim suit and towel
- Recommended: Scuba Backpack, defog mask drops, rash-gaurd

Classroom Preparation:

At your earliest convenience, come in to pick up your PADI Open Water Crew Package and videos, or your CD-ROM Package. Enclosed with your course materials is a Student Folder. Please fill it out to the best of your ability. Your instructor will review this folder and then you will hand it in. This folder becomes a permanent record of you at Blue Water Divers. All questions in the medical area should be answered with a yes or no, as it pertains to you. If you answer YES to any one question, ask your instructor for an additional medical form to be filled out and signed by your doctor. This signed Medical Form must be returned to your instructor before your first pool session. Knowledge Reviews are located at the end of each chapter. They must be completed and copied. These copies will be handed in to your instructor and will become part of your student folder.

Pool Preparation:

As you know, students must have their own mask, fins and snorkel as well as weight systems. If you do not already own this equipment, any one of our staff members would be happy to assist you with your needs. Please come in any time prior to your class (not the day of) to pick out this equipment. Our staff members will council proper fit and comfort as well as how to care for this equipment. Keep in mind that Blue Water Divers offers you an In-water fit guarantee on any equipment your purchase from us. Back-pack style bags are available to help keep all this valuable equipment together. In addition to holding your snorkeling equipment, these specially made bags are large enough to hold your swimsuit, towel and wetsuit. You will only need a bathing suit and towel, as well as your snorkeling equipment on the days you are scheduled to do your water skills.

If you have any questions please call either store as soon as possible.

Your instructor will call you prior to the start of class to introduce themselves to you.
